MT. PLEASANT TWP. SCHOOLS SEEK CHANGE

Members of the Mt. Pleasant township board of school directors met at Littlestown Tuesday evening with the executive committee of the Littlestown Joint school system to discuss the possibility of that township coming into the Littlestown jointure.

The executive group was told that the Mt. Pleasant township pupils south of the Gettysburg-Hanover highway and from a portion of the township north of that road would go to Littlestown if the township should go into the Littlestown jointure.

The entire Mt. Pleasant board, headed by President E. P. Myers, attended the meeting. No decision was made in the matter and it was decided that the Mt. Pleasant board will present "a more detailed and informative plan" on their plan for entering the Littlestown jointure.

Mt. Pleasant township now is in the New Oxford joint school system.

Want PTA Formed

Following the Littlestown executive board meeting, the joint boards met with 18 of the 20 directors in attendance. A lengthy discussion took place concerning the Littlestown Junior high school athletic program. A committee, consisting of Karl P. Bankert, chairman; George Worley, Elmer E. Furlow, Carl H. Baumgardner, David S. Little, Henry W. Waltemer and Arthur E. Buehler was appointed to investigate the program thoroughly, and report upon their findings to the group at the next monthly meeting.

It was announced that the new Loyalty oath will be administered to all teachers of the jointure by Stanley R. Sell, a notary public.

A group of Littlestown women appeared at the meeting and presented a signed petition relative to the matter of organizing a Parent-Teacher association. Those who appeared at the meeting were Mrs. Charles Benner, spokesman; Mrs. Robert Harbaugh, Mrs. Robert H. Miller, Mrs. Fred Renner and Mrs. Joseph Spangler. The women expressed the desire on behalf of many citizens of the community for such an organization. Following their appearance President Buehler led a board discussion and the board granted permission for the use of the school auditorium or any of the classrooms to the interested local citizens to form such an organization.

Those present at the board meeting included Arthur Buehler, George Worley, Stanley R. Sell, Elmer E. Furlow, Clayton Harget, Glenn Bowers, Lloyd E. Crouse, Wilbur E. Mackley, Charles Shildt, Paul E. King and Henry E. Waltemer.

Teacher Elected

Mrs. Jane King Rhoades, Littlestown, former White Hall teacher, was appointed substitute teacher in the Littlestown grade school. Mrs. Rhoades will replace Mrs. Harvey B. Simons, who is now employed regularly in the Hanover district.

The properties and supplies committee was appointed to make a study of the possible enrollment in the jointure for the 1952-53 term and inform the board as to the requirements of housing space needed for the students, in answer to the question if the present facilities will be sufficient.

The next meeting of the Littlestown Joint school system will be held Tuesday evening, March 11. The executive board will meet at 7:30 o'clock in the office of the supervisor.

BIGLERVILLE'S TAX RATE STAYS AT NINE MILLS

The tax rate of nine mills, in effect during 1951, was retained by Biglerville town council at its February meeting held Tuesday evening in the council room of the fire house. The budget as presented at the January meeting was adopted at this time.

The report of the auditors, Ralph Eckenrode, Earl Crum and Bruce B. Taylor, was accepted.

The council decided to use the county aid funds for the repair of Rice avenue. It was decided to request the Biglerville Business club to appoint five members and the Biglerville Women's Group four.

LIONS, LADIES ENJOY MAGICIAN

George Bailey, Freeport, Pa., magician, entertained 195 Lions and their ladies Tuesday evening in the social hall of Trinity Evangelical and Reformed church. Ladies of the church served a roast turkey dinner.

President Fred S. Faber presided and the Rev. Charles E. Held gave the invocation. The Lions club chorus sang two selections under the direction of Richard B. Shade. The remainder of the evening was given over to Mr. Bailey's feats of magic, memory and music. Memorizing the names of 115 clubmen and their ladies during the dinner hour, Bailey was able to name all of them but one—many of them by their first names, too—and paid \$5 for his one failure. He played a number of selections on an arrangement of music, presented a signed petition relative to the club in performing tricks of magic.

RED CROSS GOAL IS \$13,000 FOR DRIVE IN MARCH

With \$13,000 as their goal, an army of several hundred volunteer Red Cross collectors will launch their annual drive for funds in Adams county March 1.

Headed by County Fund Chairman John C. Stahle and Vice Chairman Charles W. Wolfe, the collectors will work in 15 districts into which the county has been divided for purposes of the drive. Area rallies for the prospective canvassers will open next Monday to prepare them for their fund campaign duties.

Preliminary work already has been begun by John D. Teeter, chairman for industrial solicitation. Many weeks of preparatory work.

Baltimore Man Is New Manager Here

John Crow, Baltimore, has assumed his duties as the new manager of the Gettysburg Ice and Storage company, the company announced today.

Dr. John B. Zinn was serving as manager pending the naming of someone to fill that position. Mr. Crow, a former official of a Baltimore dairy, is married. His wife and two children expect to move here as soon as a residence is available. For the present he is staying at the Hotel Gettysburg.

DR. F. T. ELLIOT, NATIVE OF Y.S., DIES ON MONDAY

Dr. Francis T. Elliot, practicing physician in Carroll county, Md., for 40 years, until his forced retirement last year because of failing health, died at 11 p.m. Monday at his home in suburban Fountain Head Heights, Hagerstown.

Dr. Elliot was 67 years old. His death was attributed to a cardiac condition resulting from a heart occlusion suffered at Taneytown on Easter Sunday of 1943.

Born at York Springs March 4, 1884, the son of the late Francis H. and Mary Jane Reindollar Elliot, Dr. Elliot was educated in the public schools and graduated from Philadelphia College of Pharmacy in 1905 and Jefferson Medical college, Philadelphia, in 1911.

He began his career in the handling of medicines in 1901, at the age of 17, when he was employed in the apothecary shop of Dr. Frank Seiss in Littlestown. From there he came to the Peoples Drug Store here and in the fall of 1902 he enrolled at the Philadelphia College of Pharmacy where he was graduated in 1905.

Dr. Elliot practiced pharmacy in Philadelphia, Chester, Johnstown and Pittsburgh, and in the fall of 1907 he entered Jefferson Medical college from where he was graduated in 1911.

In August of the same year he located in Harney, and in October of 1912 married Miss Margaret Campbell Carson, of Perryopolis, Pa., a daughter of the late Dr. James S. Carson, also a graduate of Jefferson Medical college, class of 1887, a prominent physician of Westmoreland and Fayette counties, and Mrs. Carson.

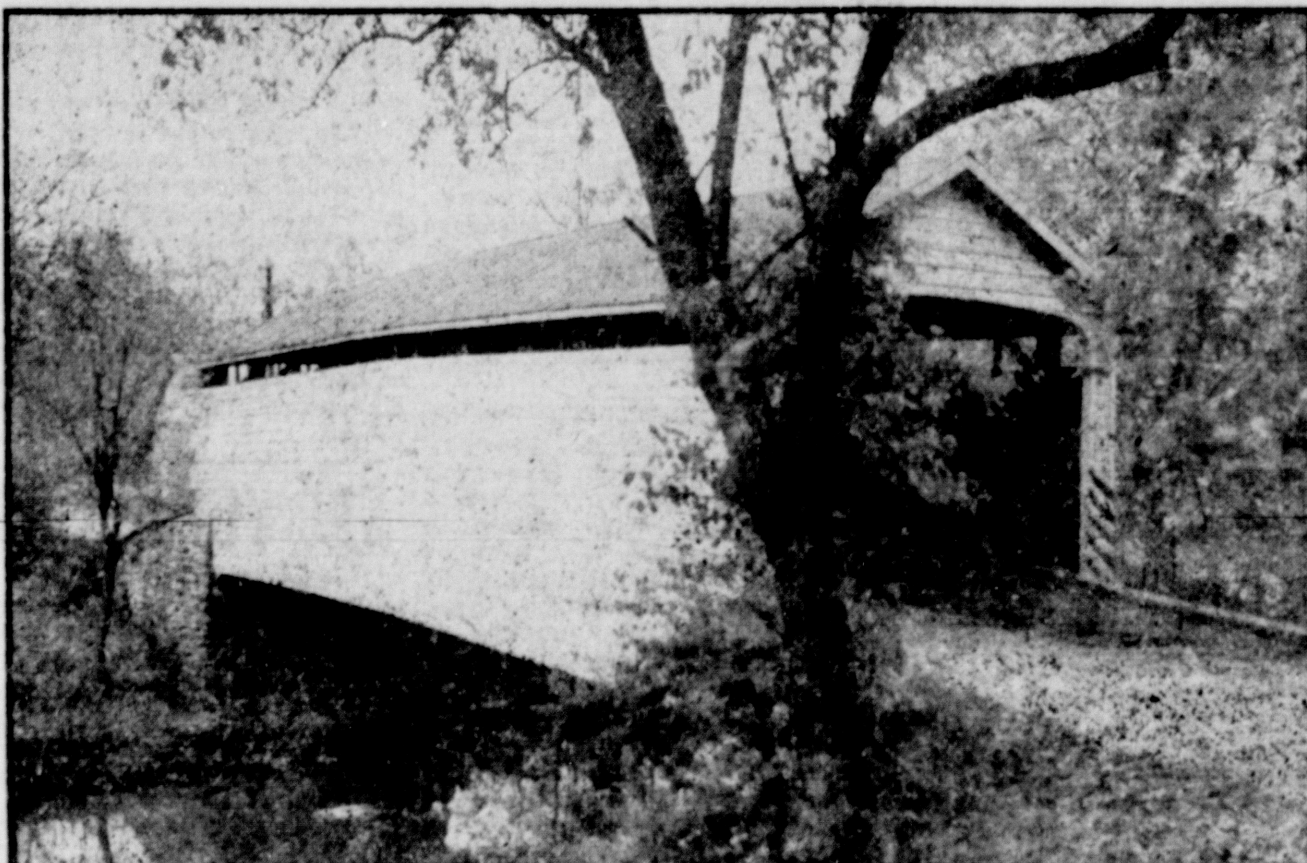

In 1920, Dr. Elliot moved his office.

Pitzer Petitions Are Placed On File

H. Earl Pitzer, Aspers, today filed his nominating petitions with the state bureau of elections in Harrisburg. He is seeking the Republican nomination for the office of Assemblyman from Adams county. During his first term in office he served in the longest legislative session in the history of the state.

Kohler's Bridge Near New Oxford

Conewago creek, which drains the greater part of Adams county, turned many mill wheels a century or more ago and flowed under many covered bridges. Only 24 of the one-time 70-odd covered spans in the county remain in use today and the Conewago or its tributaries pass under most of them.

The one pictured above, Kohler's bridge, lies tucked away in a secluded nook only a little more than a mile southwest of New Oxford. It is at one of the many sites where grist mills formerly operated and its setting forms one of the most attractive rural scenes in the county.

The bridge is on the boundary between Oxford and Mt. Pleasant townships. Its span measures 73 feet, six inches in length. It is designated as County Bridge No. 53. There are several roads shown on The Gettysburg Times map by which this bridge can be reached, from New Oxford, from the Lincoln highway west of New Oxford or from the New Oxford-Bittinger road. One of the best is the latter. Turn right at the square in New

Oxford and continue south to the first macadam road on the right. Travel about a mile and take the right fork where this road makes a hairpin turn.

From the Lincoln highway just west of New Oxford, turn right on Legislative route 61003, which leads to Bonneville. At the first road to the left, about half a mile from the Lincoln highway, turn left again, and at the end of this road, make another left turn. (Gettysburg Times photo)

COUNTY MUSIC FESTIVALS ARE BEING PLANNED

Plans for the annual county-wide music festival to be held March 28 and April 24 at Gettysburg college were outlined by Adams county's music teachers Tuesday evening at a meeting held in the office of the county superintendent of school. One hundred and seventy-two student musicians will be selected to take part in the band festival March 28 and approximately 250 students will take part in the vocal music program April 24.

Tuesday evening the teachers tentatively allocated the number of musicians and singers from each of the schools; decided that there would be a boys' chorus, junior and senior and other smaller groups as well as the massed chorus of 250, and decided as an experiment this year to bring in outside soloists rather than outside directors.

In previous years the music teachers brought outstanding conductors into the county to handle the massed band and choruses for the annual music festivals.

This year they plan to handle the direction of the bands and choruses themselves and spend what money may be available to bring in high school students who have been outstanding as players of musical instruments or as vocalists "to give the youngsters a better idea of what school children can do in the line of music."

Dale Roth was named as chairman of ticket sales. President Harry C. Stenger presided.

Exchange Club At Waynesboro Party

Twenty-eight Exchange club members and wives attended the second birthday anniversary dinner of the Exchange club of Waynesboro Tuesday night in the Anthony Wayne hotel, Waynesboro. The trip was made by automobiles. Guests were also present from the York, Hanover and Chambersburg clubs. There was no meeting of the Gettysburg club.

Private Services For Williams Babe

Private funeral services will be held Thursday morning at 10 o'clock for Bruce Dean Williams, month-old son of Mr. and Mrs. Clyde E. Williams, Jr., 134 Carlisle street. The child was found smothered in the bed clothing of his crib Tuesday morning.

Rev. Dr. Ralph R. Gresh, pastor of St. James Lutheran church, will officiate. Interment will be made in Evergreen cemetery.

CAMP TO MEET MARCH 13

The Sgt. William M. Steffy Camp No. 128 and auxiliary, United Spanish War Veterans, will hold their next regular meetings on March 13, at 8 p.m. at the VFW home, Carlisle street, John A. Zimmerman, adjutant and quartermaster, announced today.

Would You Like To Be A Valentine?

An advertiser in today's classified section of The Gettysburg Times believes in taking advantage of Leap Year. Claiming that she is a good cook, and has a "nice" car, she asks: "Who would like to be my Valentine?"

The woman describes herself as middle-aged, with fair complexion, brown hair, grey eyes and is of the "white" race. "Lonely hearts" of the male gender may learn further about this "valentine" proposal by writing Box 1, care of The Gettysburg Times.

GLENN C. BREAM OBSERVES 13TH ANNIVERSARY

Gettysburg Motors, York street, today opened its observance of its 13th anniversary, which will continue through February 23. A number of prizes will be awarded during the next ten days.

Glenn C. Bream, proprietor, opened his first automobile sales agency and garage at 204 Chambersburg street, on February 13, 1939, with him and his wife and one mechanic comprising the office and garage force.

Gettysburg Motors was moved to its present location in July, 1949.

In commenting on the anniversary today, Mr. Bream said: "Our many satisfied customers have made our continuance in business and this

Ex-King Arrives In London For Funeral Of Brother, King George

London, Feb. 13 (AP)—The Duke of Windsor returned to England today to join in the national mourning for his brother, King George VI, whose subjects gathered in increasing numbers to pay tribute at ancient Westminster Hall.

"It is indeed a sad arrival," said the duke who arrived alone at Southampton from New York.

Secretary of State Dean Acheson arrived by air from the United States to represent President Truman at the state funeral Friday. He will join six kings and the representatives of many heads of states in the rites at Windsor.

Miles Of Mourners

Despite snow flurries and 17-degree cold a line of mourners six abreast and two miles long formed at noon outside the doors of nine-centuries-old Westminster Hall where the dead king lay in state a second day.

Businessmen and students, workers, women and children from Scotland, Wales and Northern England, the commonwealth and foreign countries were in the line.

It extended up the bank of the Thames to Lambeth bridge, across the bridge and down the Albert embankment.

1ST TEEN-AGE DANCE WILL BE HELD SATURDAY

The Gettysburg Recreation association will hold its first Teen-age dance at the new high school cafeteria this Saturday night.

Attorney Richard A. Brown, president of the Recreation association, said today that the dance will begin at 7:30 o'clock Saturday night and conclude at 11 o'clock.

Music for the first dance will be by record.

Donald Joseph, recreation director for the borough, who will be in charge of the dance, said that he hopes organization of a teen-age club can be completed at the dance Saturday night.

Building New Walk

Such an organization has been in the formative state over the last several months. It is hoped that there will be a large enough group at Saturday's opening dance to permit the establishment of the club, Joseph said.

If such an organization is formed, it probably will have charge, under supervision, of the various dances to be held at the cafeteria. Committees of teen-agers were being formed today to handle details for Saturday's first dance.

Entrance to the cafeteria for Saturday night's dance will be by the new cafeteria entrance to the rear of the addition of the high school. A walk connecting the entrance to the parking area at the south of the high school was being completed today.

40,000 In Line

At 8 a.m., when the hall doors opened, 15,000 were in line. They filed past silently at a rate of 5,000 an hour—1,000 more than yesterday—but the line had grown to 40,000 by noon.

First in the line today was a woman from Oxford. She was there before the doors closed behind the last of yesterday's pilgrims at 1:45 a.m. But, she said, "I wanted to see the coffin of my king in daylight."

The man behind her had hitchhiked 130 miles from Somerset. He didn't have the railroad fare, he said, but "I had to get here to pay my last respects to a great king."

A crippled veteran of World War II was third. He said he had driven the 50 miles here from Brighton in his little motorized three-wheel (Please Turn to Page 8)

Countian Recalls Old Lincoln Story

Mrs. Martin L. Shull, Pennbrook (near Harrisburg) celebrating her 90th birthday on Tuesday, the anniversary of Lincoln's birth, recalled how her uncle, David Boyer, drove Abraham Lincoln secretly from Harrisburg to the West Shore to foil an assassination attempt.

S. Gray Bigham, Biglerville, today recalled that when he was to be married in Harrisburg, 51 years ago next June, he arranged with David Boyer to engage a team of black horses and a buggy from Calder's livery, Harrisburg, to drive him and his bride to the railroad station after the wedding ceremony. Mr. Bigham said that at the time Boyer told him of driving Lincoln to the West Shore as part of the plan to avoid the reported assassinations.

MISS BAILEY IS WED TUESDAY TO M. L. FERNBAUGH

In a candlelight service at Trinity-Bender's Evangelical and Reformed church, Biglerville, Tuesday evening at 7:30 o'clock, Miss Shirley Mae Bailey, granddaughter of Mr. and Mrs. Earl Miller, of Biglerville, became the bride of Merkel L. Fernbaugh, son of Charles Fernbaugh, Gardeners R. D.

The double ring ceremony of the church was performed by the bride's pastor, the Rev. Nevil R. Prantz, in the presence of a small group of relatives and friends.

Preceding the ceremony, Mrs. John A. Lawver, at the console of the organ, presented a recital which included "At Dawning," "The Sweetest Story Ever Told," "I Love You Truly," "Oh Promise Me" and "Because." As a professional she used the "Bridal Chorus" from Wagner's "Lohengrin" and as a recessional the wedding march from Mendelssohn's "Midsummer Night's Dream."

Given By Grandfather

The bride, given in marriage by her grandfather, wore a ballerina length gown of beige, the close fitting bodice fashioned with a sweetheart neckline was of lace over matching satin and the full skirt of tulle over satin. The long sleeves ended with points over the wrists and her small hat matched the shade of the gown. She wore a corsage of pink roses and carried a white Bible with satin ribbons attached.

Mrs. Leonard Gardner, Gardeners R. D., a sister of the bridegroom, and the bride's only attendant, wore (Continued on page 5)

BETA SIGMA PHI MEETS TUESDAY

A nominating committee comprising Mrs. Bernard Little, Mrs. Donald Sheely, Mrs. Ray Culp, Mrs. David Garfinkle and Miss Mary Heintzleman was appointed Tuesday night at the regular meeting of Beta Sigma Phi held at the sorority house on East High street.

Miss Margaret Spangler, president of the sorority, in announcing the committee, said it would report at the first meeting of Beta Sigma Phi to be held in March.

Two members were selected to give blood at the Red Cross Blood Donor day this month. A donation of \$10 was voted for the uniform fund of the Blue and Gray band. A \$5 donation was voted for the Red Cross.

Miss Eileen Bushman reported on a recent meeting of the Women's Civic Council. Miss Helen Spangler presented a program on "Preparing a Talk" during which she reviewed a book entitled "Better Speeches" by C. W. Wright. She concluded her remarks on how to prepare a talk by reading Lincoln's Gettysburg Address.

Worley Earns Degree From G.W. University

Francis Worley, York Springs R. D., former assemblyman from Adams county, who has been taking postgraduate work in the law school of George Washington university, has been notified that he has qualified for the LL.M. degree to be conferred February 22 at the mid-year graduation at the university.

Mr. Worley enrolled at the law school for the summer term last year and completed the work during the first semester of the current year.

METHODISTS TO MEET

A special congregational meeting will be held at the local Methodist church Thursday evening at 7:30 o'clock to act on a proposal to offer the parsonage for sale. A quarterly conference and official board meeting also will be held Thursday evening.

COUPLE TO WED

A marriage license was issued at the court house today to James Lee Sibert, son of John J. Sibert, Gettysburg R. 4, and Vivian Iona McGlaughlin, daughter of Mr. and Mrs. Earl W. McGlaughlin, Fairfield.

Allies Accept 60-Day Limit On Exchange Of Prisoners; Offer Truce Supervision Compromise

Seoul, Korea, Feb. 13 (AP)—A light touch of spring hit Korea's eastern front today—along with probing Communist infantrymen.

The mild weather was continuing and a thaw was starting.

A Red company of about 160 men pounded an Allied advance position west of the Mundung valley on the eastern front for 10 hours Tuesday night and Wednesday morning. The Allies withdrew on order about dawn but reoccupied the position four hours later against no opposition and found 12 Communist dead.

Allied troops spotted about 200 Reds in the Mundung valley, but the Communists did not attack. In the same area Tuesday U. N. soldiers killed 96 Reds and Wounded 130.

Cut Red Rail Lines

U. S. Fifth Air Force warplanes cut Communist rail lines in 35 places Wednesday morning. Pilots also reported destruction of two locomotives and one Red anti-aircraft position.

The air force flew 301 sorties Tuesday and cut rails in 105 spots.

Nine B-29 Superforts bombed the Sunchon south bypass rail bridge Tuesday night. Three other B-29s hit the rail yards at Sambong and one raided the Kyompo steel mill.

Allied fighters and bombers attacked 100 Red trucks Tuesday night and destroyed 19. Pilots also reported a string of 16 bus cars destroyed in northwest Korea.

U. N. warships pounded road and rail networks off the east coast.

Wait Red Reply

The Allies had proposed eight. Wednesday they cut it to seven. The Reds had proposed three. Tuesday they increased it to four.

There was no word from the Communists when they would have ready their new proposed solution for the fifth and final item of the armistice agenda. This deals with recommendations to the governments concerned for a settlement of the Korean problem.

The Reds promised Tuesday to draft a new plan. It will be presented to a full-dress negotiating session.

Meanwhile staff officers continue working on details of the other two unsettled armistice clauses. But each is by-passing the most troublesome issue.

These by-passed points are: shall the Reds be allowed to repair bombed-out air fields? Shall prisoners of war have free choice of whether they want to be exchanged?

Skip Reparation Issue

Staff officers dealing with prisoners agreed to skip over the voluntary repatriation question Thursday when they start going over the 11-point Allied plan for the second time.

A U. N. command communiqué said staff negotiators have reached such "substantial areas of accord" they "will begin work on the final draft" of the prisoner clause.

In Wednesday's session they spent considerable time discussing the role of joint Red Cross teams. The Reds have agreed to such teams, but object to outlining their functions in detail.

500 YOUTHS TO PARTICIPATE IN FOLK FESTIVAL

Approximately 500 farm youths from seven counties are scheduled to take part in a Rural Folk Festival to be sponsored by the Adams County Senior Extension club April 29 at the South Mountain fairgrounds.

Plans for participation by young men and women from Adams, Fulton, Perry, Cumberland, Franklin, York and Lancaster counties were outlined at a meeting Tuesday evening in the court house of agricultural extension officials and senior extension club members with C. P. Lang, State College extension specialist.

Richard Weaner was named chairman of the general committee for the affair, the second to be held in the county. Two years ago a similar event drew about 500 persons. Last year the Folk Festival was held in Cumberland county.

Open To Public

Other members of the general committee, in addition to Weaner, include Theresa Murren and Frances Keller.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles E. Anderson, Fort Wayne, Ind., announce the birth of a daughter, Donna Marie, Sunday. Mr. Anderson is a former resident of East Berlin.

Munsan, Korea, Feb. 13 (AP)—Allied

negotiators today accepted a 60-day limit on exchanging prisoners and offered to compromise their demands for supervising a Korean truce.

The Communists had proposed the 60-day limit. The exchange period is to start when an armistice is signed. The agreement does not touch the key question of voluntary repatriation.

The United Nations command, holding 132,000 prisoners, had wanted 30 more days than was allowed the Reds to complete the exchange. The Reds list only 11,559 in Red POW camps.

Allies Offer Compromise

Allied staff officers negotiating details for supervising a truce offered a two-point compromise:

(1) If Communists agree to rotating 40,000 troops a month in addition to men on temporary leave, the Allies will drop two demands the Reds oppose.

One of these would forbid shifting troops during a truce in a manner that could constitute an offensive threat. The other would require weekly reports on the location of all major military units.

Reds originally agreed to rotating 5,000 men monthly. They have increased this to 30,000. Allies originally asked 75,000 including men on rest and recuperation leave to Japan.

(2) Both sides "meet halfway" on the number of ports of entry through which troops and arms would move under neutral supervision during a truce.

PRESBYTERIAN WOMEN MEET

Members of the three adult circles of the Women's Service Guild of the Presbyterian church met Tuesday evening for their bi-monthly meetings.

Circle No. 1 met at the home of Mrs. Anna Bracey and Mrs. Sarah Doll, East Middle street, with 15 present. Mrs. Oren H. Wilson, chairman, presided. Devotions were led by Mrs. Anna Plank.

Mrs. Wilson announced that the duties of Circle No. 1 for March and April will be the supervision of the nursery. Plans were made for hostesses for the reception to new members to be held at the church Sunday evening, February 17.

The circle will have charge of the March guild meeting, when Mr. and Mrs. Guillermo Barriga will provide the entertainment. Mrs. Hugh C. McIlhenny was named chairman of the refreshments committee, and Miss Hattie Krauth will conduct the devotions.

The next circle meeting will be held April 8 at the home of Mrs. Paul Ketterman, Steinwehr avenue.

Other Circles Meet

The Circle 2 meeting was held at the church school building with the chairman, Mrs. Maxwell Bucklew, presiding. The devotions were led by Mrs. D. A. Paddock. Twelve members attended and made arrangements for providing refreshments and flowers for the reception for new church members on Sunday evening, Mrs. C. Harold Johnson and Mrs. Paddock were asked to take charge of the tea table for the reception and all members of the circle are being asked to help in some way. The circle's next project is the making of layettes to be sent overseas Mrs. Walker Manahan was co-hostess with Mrs. Bucklew.

Members of Circle 3 met at the home of Mrs. Donald M. Swope, West Broadway. Mrs. Blaine Hughes led the devotions. It was announced that the circle's duties for March and April will include care of the choir gowns. The circle is supplying hostesses to assist at the reception for new church members next Sunday evening at the church.

Miss Liselette Soerensen, Gettysburg college, spoke on living conditions in Denmark. Refreshments were served to the 16 members and guests in attendance.

DR. J. W. FRY TO ADDRESS CLUB

A talk on the Pennsylvania Dutch, their history, customs and "language" will be given by Dr. John W. Fry, member of the faculty of Franklin and Marshall college, Lancaster, at the annual Soroptimist dinner of the Gettysburg Soroptimist club February 25 at the Peace Hotel Inn. The dinner will be held at 6:30 p.m.

The February business meeting of the club was held Tuesday night at the YWCA at 8 o'clock at which details of the annual dinner were announced. Mrs. George F. Eberhart is chairman of the dinner committee. Judge W. C. Sheely will be toastmaster. The dinner will be formal for the ladies. Group singing will be in charge of Mrs. D. Fred Siegal, McKnightstown.

Mrs. Donald E. Myers, president of the club, was in charge of the business meeting, which included reports from various committee chairmen. Mrs. Myers announced plans for the national Soroptimist meeting in Washington, D. C., in July.

A meeting of the executive board preceded the club's business meeting.

Township Officials Must Take New Oath

Glenn Jacobs, president of the Adams county road supervisors' association, has called the attention of the township supervisors in the county to the fact that under the new loyalty oath law all supervisors, tax collectors and employees of township road boards must take the loyalty oath by March 1.

President Jacobs said forms for taking the oath may be secured at five cents each from the Pennsylvania Township News, 227 State street, Harrisburg.

The county association president also said he has been advised by the state association of supervisors to encourage all boards to take advantage of their "match money" this year, a new state-aid plan in which township and state funds for road work can be "matched."

President Jacobs, Mearle Heikes, Latimore township, treasurer of the county association, and Robert Hull of Franklin township, returned recently from a three-day convention of the state association in Philadelphia.

CHANGE GAME TIME

A change has been made in the time for the two Community Cages league games Thursday evening. The Glenn L. Bream and Mack's Atlantic teams will meet at 7:15 and the Texas Lunch and Cannoners in the second game.

Elizabeth Tragedy Toll Reaches 32

New York, Feb. 13 (AP)—Government and airline officials have promised to keep disaster-stricken Newark, N. J., airport closed pending congressional "and other responsible official investigations."

Another direct result of the New York metropolitan area's fourth air-line crash in two months is an agreement by 25 airlines to create a special safety committee and to hold flights over congested areas to a minimum.

Government and airline officials met here for almost six hours yesterday in the wake of Monday's smash-up of a National Airlines plane in Elizabeth, N. J.

The toll of that catastrophe rose today to 32 with the death of another plane passenger, Miss Sarah Aronwald, 52, of 1791 Aronwald avenue, the Bronx, N. Y., in St. Elizabeth's hospital at Elizabeth.

VOLUNTEER CLASS HOLDS BANQUET
The Volunteer class of St. Paul's Lutheran Sunday school, Biglerville, used "Spring" as a theme for the program which was presented at its annual banquet held Tuesday evening at Fidler's restaurant, Biglerville. The same idea was carried out in the decorations which consisted of candles and spring flowers in pastel shades. Paper cups of mints with tiny packets of spring flower seeds attached, were used as favors.

Miss Myrtle Raffensperger served as toastmistress and Mrs. John F. Kinefelter, as president of the class, welcomed the 41 members and guests. Mrs. Charles L. Yost, teacher of the class, introduced the guest speaker, Miss Downing Reinbrecht, a student at Gettysburg college, reared in Lutheran foreign mission fields, who talked on the "Mission Work in China" and also gave an account of her internment during the war.

The invocation was pronounced by Mrs. A. L. Leinart.

The program for the evening, which was in charge of Mrs. Yost and Miss Myrtle Raffensperger, was divided into two parts. The first under the heading "Prelude to Spring" included the following numbers: Reading of an article entitled "Seed Catalogue" by Miss Jean Thomas; poems, "In February" and "The Bird's Message" by Mrs. O. A. Nary, and a reading, "The First Song Sparrow," by Mrs. Ralph Stoner.

Under the second heading "Signs of Spring" the following numbers were presented: Reading, "The Creator" by Mrs. Earl Crum; poems, "Of Plantings and Partnerships" and "Prayer for a Little Girl's Garden," by Mrs. Ross Schwartz; poems, "Johnny's Garden" and "The Garden Quarrel" by Mrs. George Phillips; a skit by Mrs. Henry W. Sternat and Mrs. S. E. Kapp, and a reading, "The Sermon," by Mrs. Yost. The program was brought to a close with the singing of a prayer hymn.

Decorations for the evening were in charge of Mrs. Lloyd W. Kleinfelter and Mrs. Luther Lawver.

The L.L.L. club will meet this afternoon with Mrs. J. Willis Weigle, Biglerville.

The February meeting of the Biglerville Business club will be held this evening at 7:30 o'clock at the school building.

The Friendship class of Trinity-Bendersville Reformed Church school, Biglerville, will meet Thursday evening at the home of Mr. and Mrs. Dale F. Lawver.

Mr. and Mrs. Earl Ecker had as guests Sunday at their home in Biglerville Mr. and Mrs. Theodore Leidig and daughters, Dorothy and Shirley, Gouglersville. Mr. Leidig and Mr. Ecker served together with the 10th Army on Okinawa in World War II.

Mr. and Mrs. Harold Ditzler had as guests over the week-end at their home in Biglerville Miss Virginia Busoleski and Donald Ross, Greensburg.

Paul R. Koontz, U. S. Navy, has returned to Norfolk, Va., after spending the week-end with his parents, Mr. and Mrs. Paul E. Koontz, Aspers. He has been in the U. S. Navy hospital in Portsmouth, Va., for two months, where he underwent major surgery. He receives his mail: Paul R. Koontz, 366-03-42, F.A.U.-Intelligence, Com. Air Lant, N.A.S., Norfolk 11, Va.

Girl's Leg Broken When Hit By Car

A six-year-old Hanover R. 4, girl, Darlene Reindollar, suffered a fracture of her right ankle and abrasions of the forehead at 4 o'clock Tuesday afternoon when she was struck by an automobile operated by Martin Koons, Taneytown, Md.

The accident occurred about a mile southwest of Hanover on the Hanover-Littlestown road while the child was on an errand for her mother. State police of the Gettysburg substation, who conducted an investigation, said the girl ran from behind a truck into the path of the Koons car. She was taken to the Hanover hospital.

Automobiles operated by Benson J. Breighner, 19, of Abbottstown, R. 1, and Mrs. Ruth K. Bargelt, 38, of Carlisle, sideswiped on the Hanover-Cross Keys road about a mile north of Hanover at 10:10 o'clock Tuesday night, according to a state police report.

Joseph Bargelt, 15, son of the driver of one of the cars, was treated for shock. Damage to each vehicle was estimated at \$500.

DR. F. T. ELLIOT
(Continued from Page 1)

He practiced continuously until his retirement last October.

Dr. Elliot's health declined steadily following his initial heart occlusion in 1943, and despite the advice of his attending physicians, he refused to abandon his practice.

Lifelong Lutheran

In 1949 he was admitted to Johns Hopkins hospital, where he underwent a series of treatments for several weeks. He continued to treat patients at his Taneytown offices until his retirement.

Dr. Elliot was a lifelong member of the Lutheran church. Besides being affiliated with various college societies, he was a former member of the American Medical association, the Maryland State and County Medical societies, the Taneytown Chamber of Commerce, Taneytown Trinity Lutheran Brotherhood, the Carroll County Chapter of the Red Cross, and served as a health officer for a number of years.

Dr. Elliot is survived by his widow and six children: Mrs. Paul S. Griffith, Hagerstown; Francis T. Jr., Union Bridge, Md., and Washington, D. C.; Mrs. Harold B. Skinner, Indianola, Neb., and Lewis H., 2nd, James C. and John C., all of Baltimore. One daughter, Miss Margaret C. Elliot, preceded him in death in 1935.

Also surviving are a brother, Lewis H. Elliot, and sister, Mrs. Margaret Franquist, both of York Springs, and seven grandchildren.

Friends may call at the C. O. Fuss and Son funeral home, Taneytown, Thursday evening between 7 and 9 p.m., and Friday between 12 and 2 p.m., at Trinity Lutheran church, Taneytown. The funeral will be conducted Friday at 2 p.m. at Trinity Lutheran church with Rev. Glenn L. Stahl, pastor; Rev. Thurlow W. Null, of Harney, and the Rev. Dr. L. Boyd Hamm, pastor of St. John's Evangelical Lutheran church, Hagerstown, officiating. Interment will be in Trinity Lutheran cemetery, Taneytown.

Waynesboro Holds Off Late GHS Rally To Triumph 55-48

A shorter but scrappier Waynesboro high school basketball team handed the Gettysburg high cagers their 11th defeat of the season here Tuesday evening in a South Penn league game 55-48 before a slum crowd.

The Warriors got off to a good start and held a 15-13 lead at the end of the first period, then collapsed to fall behind and never again got the lead although they did rally in sensational style midway in the third period and pulled to within one point at 49-48 with 3:45 minutes of play remaining.

Gettysburg was off to a flying start and piled up an 11-4 advantage after six minutes but some effective foul shooting and goals by Elden and Greenwalt cut the lead to 15-13 at the quarter.

The Warriors were outscattered throughout the second quarter with the result that Waynesboro controlled both boards. The Tornado swept ahead on a foul by Greenwalt and goal by Elden at 16-15 and then hiked its margin to 32-21 by using an all-court press which completely befuddled the locals. Time and again Waynesboro made steals for easy layups, at least three goals being gained in that manner.

Warriors Come Alive

Midway in the third period Waynesboro led 37-24 and suddenly the Warriors caught fire. John Carter, top scorer for the evening with 19 points, landed a one hander. Jack Bream flipped in a one-hander and Gus Dayhoff looped a foul. Two more fouls by Carter and a goal by Jim Skinner enabled the Warriors to cut the visitors' margin to 38-34 before Hartle landed a tap-in and Washington a foul.

Dinterman and Bream matched long shots to open the final quarter. Two quick goals followed by Greenwalt. John Carter sparked a desperate Gettysburg surge with a pair of goals and fouls and Harriel hit from the side. Another jump shot by Carter and two foul conversions cut the Tornado's margin to 49-48 with slightly less than four minutes remaining. Waynesboro began to freeze the ball which upset the Warrior defense and produced three easy goals, one by Hartle and a pair by Carson which ended the scoring.

Reserves Win 11th

Ross Sachs reserves gave another fine performance in easily taking the preliminary game 38-22 for their 11th victory in 14 engagements.

On Friday the Warriors, lone team to beat Chambersburg, lone league competition, meet the Trojans on their home floor.

Declines Offer To Be Muhlenberg President

Huntington, W. Va., Feb. 13 (P)—Dr. Stewart H. Smith, president of Marshall college, says he will continue in his present capacity despite a tentative offer to take over the presidency of Muhlenberg college in Allentown, Pa.

He made the announcement after rejecting a proposal to visit the eastern Pennsylvania school. At the same time he confirmed reports by the Muhlenberg board of trustees that the invitation was preliminary to his being offered the presidency.

The U.S. Army adopted the 24-hour clock system on July 1, 1942.

ANDY SEMINICK, DICK SISLER TO GIVE REDS LIFT

(This is a story on the 1952 prospects of the Cincinnati Reds by Manager Luke Sewell.)

By LUKE SEWELL
Akron, Ohio, Feb. 13 (P)—I believe the Reds will show improvement this year, if only because we have picked up some power hitters in Andy Seminick and Dick Sisler.

Through our winter deals we have greatly improved ourselves behind the plate with Seminick, who I believe is the best catcher the Reds have had since Ernie Lombardi.

We were woefully weak in hitting last season and figure Seminick and Sisler should help us in this department. Sisler will get a complete new trial with us. Maybe we'll even give him a chance at first base although I expect Ted Kluszewski as well as Grady Hatton to have better seasons than last year.

Right now I can name only two regulars outside of my pitchers. Seminick is my No. 1 catcher and Johnny Wyrostek will be in right field.

Need More Hitting
We need more hitting in the outfield. With Lloyd Merriman going into the service we will have to find a centerfielder. It may turn out that I'll be forced to use Wyrostek there.

The only department that held its own with the rest of the league last year was our pitching. It was second only to the Giants. Ewell Blackwell really began to pitch with his head last season, and I expect him to have his best season in 1952.

Behind Blackwell, we have Herman Wehmeier, Kenny Raffensberger, Dutch Hiller and Edred Byerly. It wasn't easy to give up Howard Fox to the Phils, but we just had to get a catcher.

I expect the Giants to be real tough again this year, even if they lose Willie Mays. Durocher has a fine pitching staff, and it should be just as good again. The Dodgers should be a little weaker, especially if the army takes Don Newcombe.

Our club, the Cards, Phillies and Cubs should show improvement and make the league more balanced than it was in 1951. But the Giants and the Dodgers are still the teams to beat.

Figure Marciano For 39th Straight Win
Philadelphia, Feb. 13 (P)—Rocky Marciano, young, lusty and unbeaten, figures to cakewalk to his 39th straight victory tonight in a scheduled 10 round fight against the battleworn, 35-year-old Lee Savold.

The 27-year-old Marciano is a heavy favorite to demolish Savold in an early round. But before the former Brockton, Mass., cobbler gets too confident he might read a page of Confession Hall fight history.

It was 18 years ago today that Max Schmeling, former heavyweight champion, climbed into the ring to face Steve Hamas. The German was an overwhelming favorite, but when the fight was over, Hamas was the winner. Maybe the veteran Savold, from Paterson, N. J., will draw some superhuman effort from this moment.

Certainly, Savold has few supporters. Even the Pennsylvania State Athletic commission indicated it was concerned about the possibility the fight might be a turkey from the standpoint of competition. At last week's physical examination, Commissioner John (Ox) Dargosa told both boxers that he had been asked by many people, "Why this fight?"

Start 170-Mile Relay With Torch
Oslo, Norway, Feb. 13 (P)—A gigantic relay of 100 men on skis today began carrying the Olympic torch from the birthplace of modern skiing to the opening of the winter Olympic ceremonies in Oslo.

And it looks as if they'll have fresh snow before the end of their 170-mile journey.

The Oslo Weather Bureau predicts snow in sizable quantities for southern Norway sometime tonight—the final touch necessary to get the sixth winter international games off to a perfect start tomorrow.

The two-man bobsleds will get the competition underway tomorrow morning with the first of four heats to be run in two days. And after lunch the women skiers take off on the giant Slalom at Norefjell, 70 miles north of here.

But the official opening of the games will not take place until Friday morning when the Olympic torch is carried into Oslo's Nislet stadium and the Olympic fire is lighted above the traditional marathon gate.

East Berlin high school disposed of its greatest obstacle in its path to its second straight Adams County Basketball league title by edging Boiling Springs 42-33 Tuesday night on the Bubbler's court.

Coach Ellis Divine's lads can assure themselves of at least a first place tie by winning at Biglerville Thursday night and can clinch the honors with a triumph the following evening at Newville. From all appearances East Berlin will go unbeaten in the circuit as it hosts New Oxford in the final game next Tuesday at East Berlin.

Tuesday's contest at Boiling Springs was a nip and tuck affair all the way and was not decided until the final whistle. Wayne Mummert was again the offensive star for the winners with 24 points. Wise led the Bubbler's with 11. The East Berlin reserves nosed out the Bubbler scrubs in the preliminary 30-29.

New Oxford remained in the running and advanced to second place by walloping Biglerville 60-30 on the New Oxford floor. Marty Plegals' team took an 18-5 margin in the opening period and was never threatened. Ben Miller and Terry Hutton were high men for the respective teams with 20 and 15 points, respectively. All New Oxford participants broke into the scoring. In the preliminary game New Oxford jayvees triumphed 43-38.

York Springs added a victory by thumping the hapless Littletown outfit 55-36 at York Springs. "Pete" Kemper's team took a 14-7 lead in the first period and led all the way by a comfortable margin. Again it was Mac Lott who took the scoring honors with 23 points. Bob Kozt connected for 17 for the Thunderbolts. The Littletown jayvees downed the York Springs scrubs 39-31.

SQUIRES' WIN STREAK HALTED
The six-game winning streak of the Delone Catholic high dribblers was snapped Tuesday evening when Harrisburg Catholic gained a thrilling 45-42 victory on the Crusaders' court.

Delone set the pace throughout most of the game, leading 24-16 at half time and 32-30 going into the final period.

With less than four minutes remaining Harrisburg took the lead at 36-35 when Naccarato stole the ball and drove through for a goal. The Crusaders moved ahead 44-38 before Dick Weirman and Jack Brenner landed shots. A technical foul against Delone for too many timeouts was converted by Naccarato to conclude the scoring with 17 seconds remaining.

Delone will be host to York Catholic Friday night.

Home Talent Play Being Rehearsed: "The Youngest," a comedy in three acts, will be given by Gettysburg high school talent in the school auditorium Wednesday evening, February 16, for the benefit of the various school activities.

In presenting this Harvard prize play the stage of the auditorium will be used for the first time for a school theatrical performance.

The play has been in rehearsal for several weeks under the direction of Miss Kathryn Alwine. The cast follows:

Charlotte Winslow, Miss Alice Greist; Oliver Winslow, George Neely; Mark Winslow, William Mickle; Augusta Winslow, Miss Mildred Myers; Alan Martin, Daniel Musselman; Martha Winslow, Miss Kathryn Heck; Richard Winslow, Donald Rebert; Nancy Blake, Miss Kathryn Plank, and Katie, Miss Pauline Little.

Sells Three Houses: J. R. Showmaker has sold his three houses on Baltimore street to H. S. Cromer, who will take possession in April, 1952. Transfer was made by C. A. Williams.

Firemen Clear \$350 at Supper: The Gettysburg Fire Department cleared approximately \$350 from the chicken supper held Thursday evening at the engine house. Between 700 and 800 persons were fed. One hundred and eleven chickens, all of them contributed by residents of Gettysburg, were prepared for the supper.

James B. Aumen, chief of the Gettysburg department, extends thanks publicly to all persons who contributed food, or services, and to those who patronized it.

Sells Property: Mrs. B. F. Myers on Friday sold her property on York street to Louis H. Spahr, York street, who will take possession April 1. The transfer was made by C. A. Williams.

Sells Mt. Joy Farm: Harvey Cromer has sold his farm in Mt. Joy township to R. S. Showmaker, Gettysburg. Possession will be given April 1. The transfer was made by C. A. Williams.

W. M. Garvin New Motor Secretary: Walter M. Garvin, Williamsburg, a graduate of Gettysburg college, is now at the helm of the Gettysburg motor club of Adams county succeeding John W. Ostrom, who has resigned.

Mr. Ostrom, who will sail next month for Japan where he has accepted a position as instructor of English in a Y.M.C.A., relinquished his duties as secretary Saturday. He was the club's first secretary, having accepted the position last fall.

Lincoln Not Clever Lawyer: Lincoln's greatness lay in the fact that he had an unusual balance of many good qualities of character which endeared him with the great middle class of his day from which he sprung, the Rev. Dr. Harvey D. Hoover said in an address at the annual Lincoln birthday celebration of the Sons of Union Veterans of the Civil War at the Corporal Skelly G.A.R. post room, Friday evening.

"Lincoln," the speaker continued, "was not a clever lawyer, not a masterful orator, not a successful businessman, not a great legislator, but he had certain qualities of character which made him the prototype of his age."

The Rev. L. B. Hafer was master of ceremonies. The invocation was given by the Rev. W. D. E. Scott. Miss Lily Dougherty and Miss Betty Strausbaugh gave entertaining readings and Charles Lackner recited Lincoln's Gettysburg address.

After the program, members of the Sons of Veterans auxiliary served a banquet in the dining room of the post hall.

Dr. Floyd W. Tompkins Speaks:

Today's Talk

By GEORGE MATTHEW ADAMS

RAILROAD STATIONS

I have always looked up railroad stations as one of the most fascinating of places. There you will look upon human beings at a gathering point like none other. You will see there anxious faces, sad faces, and happy ones. There will be seen those awaiting loved ones who have not been seen for long periods, and others departing who may never be seen again by those who love them.

In the small stations familiar faces of townsmen are to be seen and there will be cordial greeting to them. Everyone in the town is familiar with those who carry on the duties of the station. In the larger cities, however, like those of San Francisco, St. Louis, New Orleans, Chicago, Boston, and New York, you see no one but strangers from all points of the compass, a mixture of people from all over the globe.

Sit in the waiting room of any of these larger railroad stations and you will get a remarkable array of faces to study. Forever coming and going — a stream of life, people like ourselves, everyone on some sort of a mission or adventure. I recall the old Kansas City station as one of the most interesting I have ever known. From it streamed, in the earlier days, races and varieties of people that represented democracy in streamlike form as few other stations.

Familiar around the world are the stations of Grand Central and the Pennsylvania in New York City. It is an event just to visit either. The ideals and dreams of millions are fluid each day in these great gathering and departing places. In all directions you will note people coming and going like ants in their home mound, or like bees returning to their hives, busy, each with an objective before it.

Home ties have been broken at railroad stations. Youths have gone out into the larger world to "carve their fortune," and others have returned to their home nest again, passing through the familiar old station. It was from one of these small stations, in Iowa, that I last saw the face of my sainted mother in life, her smile of cheer a living thing to this day!

Tomorrow Mr. Adams will talk on the subject: "The Great Adventure."

Just Folks

THIRTEEN
Into the teens now he goes with a bound.
The eyes of him gleaming, the legs of him gleaming,
The mischief still in him, but doubt it, it can none!
He's taller, he's stronger, and he's getting on.
It's plain from his manner, a great deal it means.
When a fellow quits twelve and gets into his teens.

In the boy he has been, now the man starts to show.
In stature and strength he's beginning to grow.
More careful of manner when friends stop to call.
He has learned to be smiling and gracious to all.
Let children be rude; but you wouldn't make scenes.
Or your parents displease, when you've entered the teens.

How lucky the number! How happy the year
Sending twelve on its way, letting thirteen appear!
Then comes self-reliance and (must it be told?)
The age when the young seem ashamed of the old.
But never again with the knowledge he gleams
Will a boy be as wise as he thinks in his teens.

Deploping all forms of egotism, declaring the greatest need of the present generation to be that of simplicity of faith in God and Christ, and expressing the opinion that it was the man or woman "who realized his or her need and who cried out 'What lack I yet?'" who attained success, Dr. Floyd W. Tompkins, rector of Holy Trinity church, Philadelphia, spoke to an over-crowded audience, consisting of students from the college, seminary and academy, Friday morning at Bruns chapel, using as his text the New Testament parable of the two men who went up to the temple to pray.

Doctor Tompkins held his audience for practically an hour at a point of intense interest after the first few minutes of his address. Throughout a keen sense of humor was displayed.

Gettysburg Girl Now A Headliner On Keith Circuit: Miss Elizabeth Stallsmith, daughter of Mr. and Mrs. P. W. Building Ideas For Home Owners

Many persons are on the lookout for a house which will meet immediate needs and which can be added to later as family requirements increase.

Such a house is "The Burrville," the Home-of-the-Week from the Home of the Week Plan Service. In its complete form this modern Colonial cottage has all the essentials for comfortable living—a six-room dwelling with a wealth of conveniences, all compactly assembled within a 29x28-foot structure, plus an additional 20 feet for the breezeway and garage.

The house has a cubic content of 17,200 feet; the garage adding 3,300 cubic feet to this figure. A lot with a 60-foot frontage, or a corner lot at least 50 feet deep in depth, is needed for a house of this size.

The Main House

This attractive home can be built in easy stages. First will come the main house, with the second floor left unfinished. On the first floor will be living room, dining room, kitchen, lavette (or a full bathroom, if preferred) and one bedroom.

When the second floor is completed, it will add two more bedrooms and bath. The next addition would be the breezeway, creating a breezeway and a shed which might be made into a laundry. Lastly, the garage could be built adjoining the breezeway.

The completed house is of simple design. Use of narrow clapboards on the front, and of wide clapboards or shingles on the other walls, gives a pleasing contrast. The set-backs of the main house and breezeway-garage wing break the long expanse

of the building and the picture window on the front, and the square bay at the side, are pleasing architectural touches.

Coat Closet In Entry Hall

The front door opens on a small entry hall which has a coat closet at the right. Straight stairs to the second floor are closed off by a mirror-paneled door. Arches at right and left of the hall look in on the living room and dining room.

The living room measures 16½ x 12½ feet. The picture window, with small casements at either side which can be swung open for ventilation, dominates the front wall. The window is flanked by a built-in bookcase in one corner and a shallow, decorative niche in the angular wall of the opposite corner. A fireplace with flush mantel is centered in the long outside wall, with windows at either side. In the inside end wall of the room, a door opens into the floor bedroom or den.

From this 12½x10-foot chamber another door opens on an L-shaped hall which before reaching the kitchen passes the stairway to the basement, a linen closet opposite and the lavette. Combination kitchen and dining room is through this hall instead of directly between the two rooms. The kitchen, measuring 12½x8½ feet, is efficiently planned with abundant counter and cabinet space convenient to stove and refrigerator. There is a broom closet, and a door with glazed upper panel opens from the kitchen to the screened-in porch to make open-air dining there possible in summer.

The breakfast nook, off the kitchen

and floor room ceilings—should be insulated and the architect recommends a forced hot water or steam heating system.

Complete plans and specifications for this "Home of the Week," or any other design of this series, are available at moderate cost. To ascertain the exact price of these documents, write to the Home Building Editor, The Gettysburg Times, and enclose a self-addressed envelope bearing a 3-cent stamp. At least one week should be allowed for a reply.

Tall narrow closets designed for the storage of brooms, mops, and vacuum cleaners are becoming increasingly more common in modern homes, but the valuable service they offer need not be denied to the housewife whose home was built a decade or more ago.

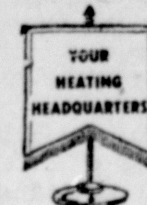

It is simple and inexpensive matter to install broom closets in existing homes, and the efficiency which they will contribute to the kitchen will more than likely repay any home owner who undertakes the job.

If the room you plan to repaint has a northern exposure, cheer it up by using one of the warm colors:

red, yellow, orange. For a sunny room, cool colors (those group around blue in the color wheel) are preferable. Large areas of yellow in a very sunny room result in glare.

It is sometimes difficult to remove black marks made by rubber furniture casters on hardwood floors. Wipe over the marks with a cloth soaked in turpentine or benzine—be sure there is no open fire in the room—and they will quite likely disappear. If they resist, however, use a little cleaning powder of a fine type that will not scratch, and rub the spot lightly.

To add breadth to a room, place low units against the narrow wall. Tail furniture against a narrow wall makes a room seem narrower.

LUTHER RITTER
GIVES \$4,200
FOR ATHLETICS

A contribution of \$4,200 made by Luther W. Ritter, president of the Littleton Shoe company of Littlestown, to the Littlestown high school athletic council at a recent council meeting has reduced the debt on the Littlestown Memorial field to approximately \$18,000.

The contribution was announced at a meeting of the Littlestown joint school board executive committee Tuesday night. The memorial field, opened in the fall of 1949, cost approximately \$30,000, including land and developments, according to Paul E. King, supervising principal of the jointure.

The cost was underwritten by the Littleton Shoe company, which loaned the funds for purchase and development of the field. The \$4,200 given by Mr. Ritter will be applied to the cost of the land.

Pay \$7,038.85 On Debt

The council applied a payment of \$7,038.85 on the debt at its meeting, including Mr. Ritter's contribution. Other receipts toward payment were \$1,063.85, the profit on the Junior Chamber of Commerce's music festival; \$413.65 from the Littlestown baseball club; \$488.88 from high school football receipts, which represents 60 percent of the game of last fall's games; \$249.44 from the Pen-Mar baseball league and \$25 from the Has-Beens baseball game last fall.

In addition to the \$7,038.85 payment on the field, \$416.75 was paid for utilities and \$254 for improvements and shrubbery.

New officers of the athletic council were elected, as follows: President, Marvin F. Breighner, succeeding George H. Dittow; vice president, Paul E. King; secretary, H. Dean Stover; treasurer, Garnet E. Schellhase.

May Curtail Athletics

The athletic council recommended to the school board that junior high school athletics as played on an interscholastic basis be curtailed, and that grades nine to 12 be eligible for varsity competition. The executive board appointed a com-

mittee of seven members to study the recommendation.

The following varsity football schedule for 1952 was approved: September 12, Biglerville, away; September 20, West York, away; September 26, New Freedom, at home; October 3, Washington township, at home; October 10, Dallas, at home; October 17, York Springs, away; October 15, Stewartstown, away; October 31, Frederick, away; November 7, Boiling Springs, away.

A discussion was held on the method of selecting cheer leaders and providing uniforms, but action was tabled. The athletic council recommended additional space for storage of athletic equipment. Elmer E. Furlow, Germany township, and David S. Little, Union township, were visitors at the council meeting. It was decided to hold regular council meetings on the fourth Thursday of each month. The next meeting will be held March 27.

Truman Willing
To Make "Sacrifice"

Washington, Feb. 13 (AP)—Rep. Sabath (D-Ill.) quoted President Truman Tuesday as saying he may be willing to make the "sacrifice" and seek re-election if he feels it will be necessary to speed the peace. Sabath talked with reporters after a call on the President.

He said Truman told him the President's work "is a killing job" but that if he "actually felt he would be of aid and help to America and the world in bringing about a peace," in that case he would be willing to "sacrifice" himself and possibly shorten his life expectancy.

Its Tuition Rates

Philadelphia, Feb. 13 (AP)—Tuition rates have been raised by the University of Pennsylvania.

Acting President William H. Du

on Monday because of illness, with a similar number of absentees in the high school. The board of health also banned children of school age from theaters.

Barry announced on Monday that starting with the September term a \$100 boost would go into effect in tuition rates for all schools at the university that grant degrees.

He also announced that the general fee would be raised \$50 annually. Proportionate increases will become effective at the same time for fulltime and parttime students in all other schools and divisions of the university, except the extension school, evening school of accounts and finance, college collateral courses and summer school.

Use Pennies To Make
Grade As R. C. Donors

Memphis, Tenn., Feb. 13 (AP)—Two pretty brown-haired co-eds at Memphis State college, who didn't weigh enough to become donors in a Red Cross blood drive, used 17 pounds of pennies and metal between them to make the grade.

Myrtle Fenner of Greentree, Ark., and Yvonne Erule of nearby Whitehaven were turned down the first time they went to the bloodmobile. Myrtle needed 13 pounds; her roommate four. You have to weigh 110 to give blood.

They explained today why they were in dead earnest about the blood drive. Myrtle's father is a master sergeant with a medical unit. Yvonne's foster brother was wounded twice in the fighting in Korea.

disasters at Elizabeth, N. J., is "one of the most baffling coincidences that will ever happen in aviation history."

E. S. Hensley, director of CAA's office of aviation safety, said there probably is no way of explaining how three major crashes could have occurred in the same place within less than 60 days.

"It could just as easily have been San Francisco, Timbuktu or Saskatchewan," Hensley told this reporter. "Why the Lord let it happen at Elizabeth, I cannot guess. There is no earthly reason."

Hensley said Newark airport is one of the oldest and safest in the

country. He said that in a quarter of a century there had been only one fatality on the ground there, until the latter part of 1951.

Littlestown ROTARY HEARS TALK ON SAFETY

Warren F. Brooks, Philadelphia, a special agent of the New Amsterdam Casualty company, was the guest speaker at the weekly meeting of the Littlestown Rotary club Tuesday evening at Schott's hotel. Mr. Brooks, who spoke on "Safety," was introduced by P. Emory Weaver, chairman of the Public Information committee in charge for the evening. The speaker told of some of the principal factors in promoting safety and outlined the "five C's, cleanliness, care, caution, courtesy and cooperation." Mr. Brooks pointed out that "actually there is no such thing as the right of way, which so many drivers insist upon."

Two visitors were in attendance on Tuesday evening, E. E. Baugher of the Hanover club and Herb Smith of the Red Lion club. The meeting next Tuesday evening at 6:15 o'clock will be in charge of the International Service committee consisting of Frank E. Basehoar, chairman; Edward T. Richardson, Sr., Paul E. King, Charles W. Weikert, Frank J. Krocak and William T. Gingrow. A foreign students' program will be presented.

Cold, Dark Hall

The huge stone hall was cold. It was lit only by the grey daylight filtering through the windows high in the walls and six tall candles which threw a soft light on the closed, standard-draped coffin. The 10-man guard of honor stood still as waxworks figures around it.

Most of those who filed past the coffin bowed. None was in the hall more than two minutes, although many had waited five hours or more. Outside the line thickened to a stream.

When the doors shut early this morning, almost four hours after the scheduled 10 p.m. closing, 76,426 had filed past the coffin during the first day of public homage. They came from all parts of the British Isles, from the United States and from the colonies and dominions. They included scores of nationalities. The three days of pilgrimage concludes tomorrow night.

Churchill Visits Queen

The dead king's family remained in seclusion yesterday but his daughter and successor, Queen Elizabeth II, granted her first official audience as sovereign last night to Prime Minister Winston Churchill, who paid his formal respects. In special messages to her armed forces over the world she described herself as the wife of a serving officer and promised to see to the "welfare and efficiency" of the forces.

Queen Mary, grandmother of Queen Elizabeth II, will miss the funeral of her son.

The Dowager queen "is perfectly well," said a member of her household, "but it should be remembered that she will be 85 this year and it is felt that she should avoid the strain and ordeal of the ceremony."

The Duke of Windsor went directly to his home at Marlborough House when he arrived in London.

State Is Waging War On Gambling

Harrisburg, Feb. 13 (AP)—Pennsylvania is waging a secret battle against slot machines and other gambling devices, the state Justice Department disclosed today.

Recent slot machine raids in Pennsylvania have netted more than 600 slot machines valued at well over \$200,000.

Attorney General Robert E. Woodside told a newsman the state has been cracking down quietly on gambling for some time, but said details must remain confidential for the present.

"We may have some interesting information for you in a couple of days or so," Woodside said, but added: "All I can say at present is that we are definitely doing something about gambling in this state."

The attorney general said the state's recent anti-gambling activity has been possible partly through information received from the federal government.

How you, too, can reduce hauling costs on your job

Here's a sure way to cut hauling costs on your job. Get a truck that gives you more mileage on gas and oil... that costs less for upkeep... that carries more payload. A truck like that will really save you money!

Owners of Dodge "Job-Rated" trucks enjoy the outstanding economy of trucks that are "Job-Rated"—engineered at the Dodge factory to fit a specific job. Because they're "Job-Rated," these trucks stand up better, save money.

Come in today for the complete economy story. Let us show you how a Dodge "Job-Rated" truck will cut your hauling costs.

Reduce costs with economical power—Dodge truck engines have four rings per piston, lightweight aluminum pistons, compression ratios as high as 7.0 to 1, and other economy values.

Reduce costs with low upkeep—You get such money-saving advantages as chrome-plated top piston rings, exhaust valve seat inserts, positive-pressure lubrication, and many others.

Reduce costs with bigger payloads—Because a Dodge "Job-Rated" truck has better weight distribution, it carries more load on the front axle. As a result, you can haul bigger payloads.
